

Rules and Regulations regarding Alcoholic Beverages and other drinks at the Lake Charles Civic Center

Members, please note the following items of interest when preparing for our Mardi Gras Ball. The Krewe will be held responsible for any infractions and will incur penalties of no less than \$250, should they occur. Thank you for your cooperation and understanding.

All alcoholic beverages that are brought into the LCCC will incur the following corkage fees accordingly:

Any size of wine or liquor (up to a gallon size):	\$5 fee
Gallon of drinks such as frozen daiquiris, margaritas, etc.:	\$5 fee
12 pack of Beer	\$5 fee
24 pack of Beer	\$10 fee
6-pk of cold drinks/juices/bottled water	\$3 fee
12-pk of cold drinks/juices/bottled water	\$6 fee
2 or 3 Liters of cold drinks, etc.	\$3 fee
Drink mixers such as whiskey sours, etc.	\$3 fee

Please note that if you bring your beer in a cooler, you can only cover the beer with the minimum amount of ice possible because the LCCC personnel must be able to see the cans accordingly and they will dump out any excess ice at your expense—

There will be a cash bar during the entire evening and the following are items and prices that the LCCC charges:

Ice	\$1 per bucket
Coke, diet Coke, Sprite, juices, bottled water	\$1.50 each
Juices-Orange, Grapefruit, Cranberry & Pineapple	\$1.50 each
Drink mixers: Sweet/Sour & Bloody Mary	\$3.50 each
Beer: Miller Lite, Coors Lite, Bud Lite, Budweiser	\$2.50 each
Mixed Drinks	\$3.75 each
Wine by the glass	\$2.75 each

Bottles of some of the popular liquors are available and if purchased from the LCCC, there is no additional corkage fee assessed. The price is usually comparable to bringing in your own standard fifth of liquor with the corkage fee. (Hint: If you plan to bring in a gallon of liquor then you will save because the corkage fee is the same for both sizes.)

Thank You for your cooperation.
